Anita and Melissa –

Please find below the links to the videos for the anticoagulant training. If you feel that there is a role for NASDA to help distribute these, please let us know.

Carol,

See the link (<http://pested.unl.edu/anticoagulant-rodenticide-training-resources>) for the two rodenticide videos and PowerPoint with videos inserted. Please let me know if you have questions.

I want to express much thanks to Pierce Hansen and Emilee Dorn for their huge efforts to complete this project!
